Attention All Providers: Please Share “Get Protected” COVID-19 Vaccine Flyer with Patients

Nevadans age 65 years or older are now eligible to receive the COVID-19 vaccine in all Nevada counties. Nevada Medicaid is asking all providers to share the attached [“Get Protected”](#) flyer with their patients. The flyer explains an easy four-step plan to getting vaccinated.

The Immunize Nevada COVID website at www.NVCOVIDFighter.org has information on each county’s vaccination plan and places where the vaccine is available.

A hotline is open to assist with appointments and questions: 800-401-0946.
